RESULTS OF 'STREETSCENE AUDIT' – 24 SEPTEMBER 2019

General Issues:

High prevalence of pavement unevenness
High prevalence of pavement/kerbside/alleyway weeds
Worn, rusted, faded litter bins, not all suitably placed
Faded road signs, overdue for painting.

Specific issues:

Poorly maintained shrubbery, beds at Station Road/Warwick Road junction
Leaning lamppost and leaning sign on island at end of Station Road (key village gateway)
Damaged posts on High Street adj Phonlik House
Unsightly barbed wire/gateway adj Knowle Brassarie
No soakaways to drainpipes adj Kents/Braggs
Unsightly façade, former NatWest Bank
Bent railings, Rear of NatWest Car Park
Telephony cabinet in poor external state, adj One Stop
Flower tubs in poor state of maintenance and out of position, High Street near Costa
Unsightly temporary covering, former cash point of Lloyds Bank
Lamppost stump outside Library
Fag end pile strewn around unofficial Tesco smoking point
Lichen covered seat between Village Hall car parks, Tesco side
Need to thin trees and cut back shrubbery on the Green, St John's Close
Mould on post and bins, St Johns Close
Poorly maintained shrubbery, around Village Hall car parks, St John's Close side.
